

Assistant/Associate Professor
Department of Civil and Architectural Engineering
Tennessee State University

Teaching undergraduate and graduate courses in the area of architectural engineering (building systems/sustainability/BIM/HVAC); advising undergraduate and graduate students; developing and maintaining a sponsored research program; publishing research results in peer-reviewed journals and proceedings; and providing service to the Department, College, University, the industries and professional organizations.

Minimum Qualifications/Experience: Requires a Ph.D. degree in architecture, architectural engineering, civil engineering, construction engineering, mechanical or another related engineering discipline, with college level teaching and research skills within the specialization. Relevant industry experience and professional registration (e.g., PE, LEED, PMP) will be preferred.

Special Instructions to Applicants: All applicants must include: 1) one-page written statements with examples of achievements that clearly articulate how their academic skills and experience will contribute to the development of the Department, specifically in the areas of teaching, research and service; 2) current curriculum vitae; 3) statements of teaching and research interests; 4) names and contact information of three academic and professional references; and, 5) a copies of transcripts showing undergraduate and graduate level courses.

In order to apply, please go to <https://jobs.tnstate.edu/>, create an account, click on Search Jobs and follow the instructions to submit the required documents online. Screening already began and will continue until the position is filled.

TSU is an EO/AA Employer. The candidate selected for this position must be able to meet eligibility requirements in the U.S. at the time appointment is scheduled to begin and continue to work legally for the proposed term of employment. More information about the Department can be found at www.tnstate.edu/cae. Questions can be directed to the Search Committee Chair, Dr. Farouk Mishu (fmishu@tnstate.edu) or the Department Chair, Dr. Gouranga Banik (gbanik@tnstate.edu).
